Attention Customers: Please read through these notes regarding licensing and eligibility for software updates

Perpetual Licenses: Perpetual licenses have no expiration date. Eligibility for updates to the software is dependent upon maintenance/support contracts purchased with the license and is reflected in the maintenance contract information. If no maintenance was purchased, eligibility for software updates expires 30 days after the license was purchased.

Term Licenses: Term licenses expire 3 years from the order date, unless a different term length was specified when purchased. Eligibility for updates to the software is dependent upon maintenance contracts purchased with the term license and is reflected in the maintenance contract information. If no maintenance was purchased, eligibility for software updates expires 30 days after the license was purchased.

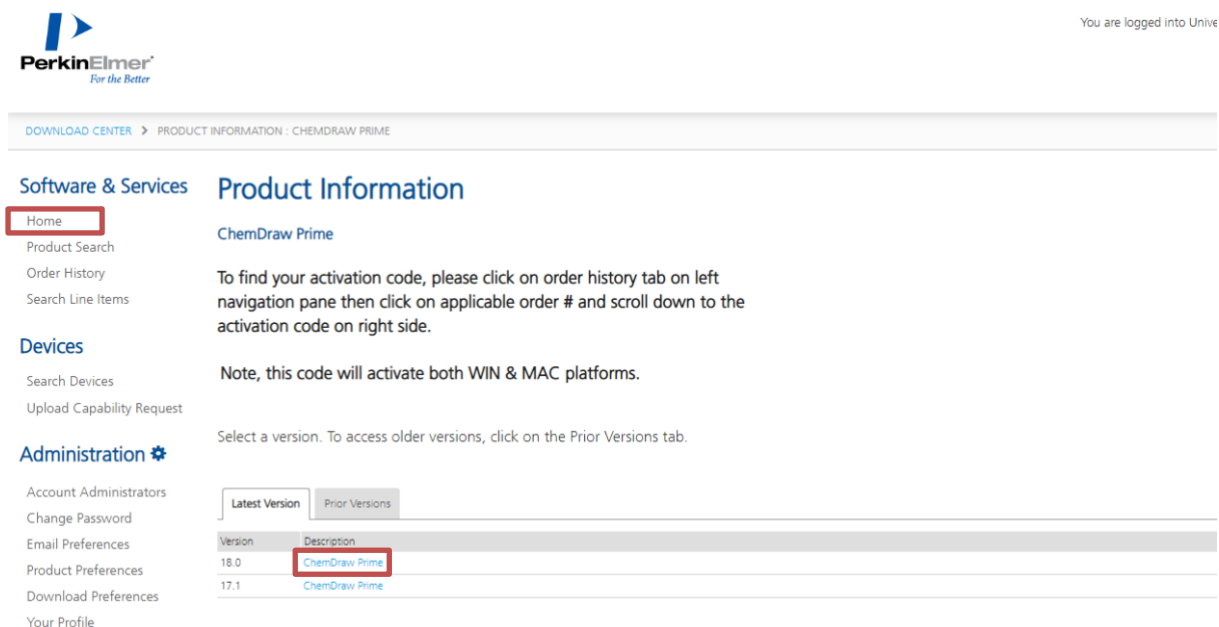

Subscriptions: Subscriptions include support and are eligible for updates to the software for the entire Subscription period. Renewals will continue this.

5. Start installation

Start the installation of ChemDraw Prime 17/18.
Follow the instructions of the installation wizard.

Note: For checkmark the 'License Agreements', click in the field to read and scroll to the end before confirming.

Complete the installation without activation.

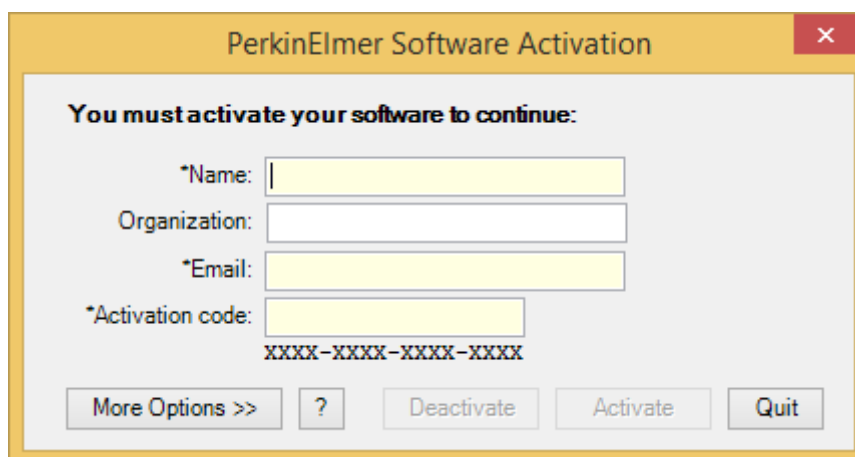

For the installation of version 17, close the activation form unfilled immediately with click on "Quit":

The image shows a dialog box titled "PerkinElmer Software Activation". The main heading is "Please activate your PerkinElmer software". It contains several input fields: "*Name:", "Company:", "*Email address:", and "*Serial Number:". Below the serial number field is a placeholder "xxx-xxxxx-xxxx". There are three buttons: "Activate over Internet", "Activate by Email/Phone/Fax", and "Activate Later". A section titled "Activate by Email/Phone/Fax" contains the text: "If you chose to activate by Email, Phone or Fax, we will send you an activation code. Please type it in below and press Activate:" followed by an "Activation Code:" input field and an "Activate" button. At the bottom, there are "Help" and "Quit" buttons. The "Quit" button is circled in red.

6. Start program

When ChemDraw Prime 17.1/18 is started for the first time, the "correct" Activation form is displayed. Fill in the mandatory fields, the Activation code (see above) and the student email address and name and click on "Activate":

The image shows a dialog box titled "PerkinElmer Software Activation". The main heading is "You must activate your software to continue:". It contains several input fields: "*Name:", "Organization:", "*Email:", and "*Activation code:". Below the activation code field is a placeholder "xxxx-xxxx-xxxx-xxxx".
