

Creating a MathWorks account

For the first download you'll need an activation and the license key (for the Installation) of the particular MATLAB version. You can find the license document here:

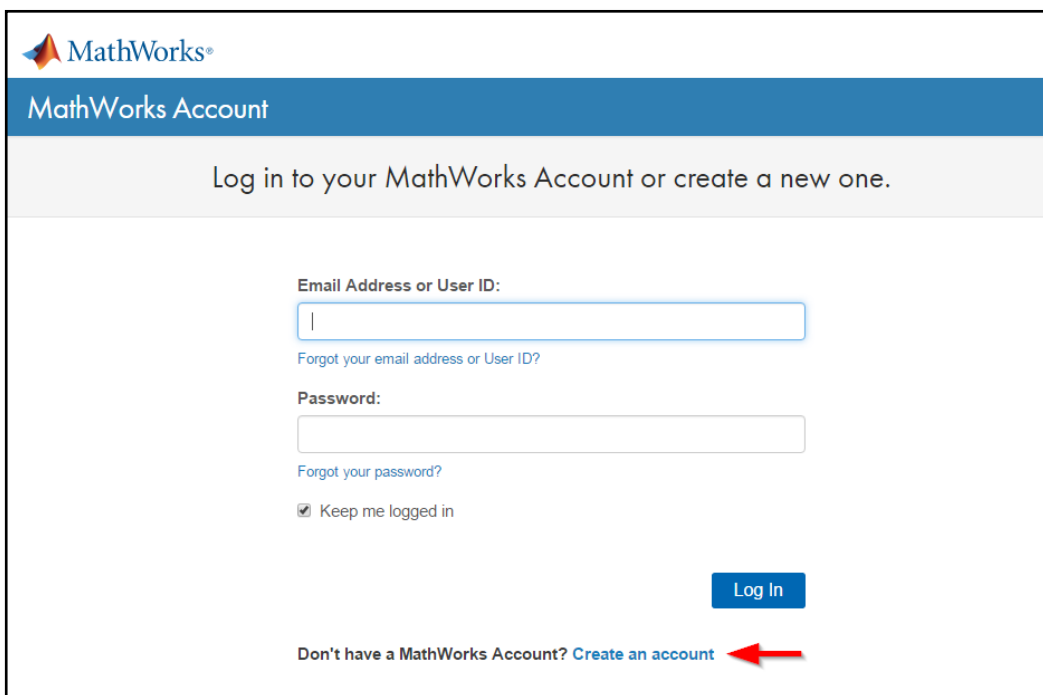

[Download](#) (License information including MATLAB R2017a)

Installation

1. Go to: www.mathworks.com
2. Create an account with the STUDENT EMAIL ADDRESS:

3. Click on „Create an account“.

4. Fill in the fields **correctly**.

The screenshot shows the 'MathWorks Account' creation page. At the top, there is a search bar with 'MathWorks-Suche' and a magnifying glass icon. Below the header, the text reads: 'To finish creating your profile, provide the following information for max.mustermann@uni-stuttgart.de'. The form contains several fields: 'First Name' (Max), 'Last Name' (Mustermann), 'User ID (Optional)' (empty), 'Password' (masked with dots), 'Password Confirmation' (masked with dots), 'What describes your role?' (Student (Undergraduate)), and 'Department' (Other Engineering). Below these is a section for 'Location of your School/University' with fields for 'Country/Region of School/University' (Germany) and 'School / University' (University of Stuttgart). At the bottom is an 'Associate Your Account to a License' section with an 'Activation Key or License Number (Optional)' field. A 'Create' button is located at the bottom right of the form.

5. After you clicked on „Create“, you will be directed to the following page:
6. To download the license you have to click on the small arrow on the right.

The screenshot shows the MathWorks Account dashboard. At the top, there is a navigation bar with 'MathWorks' logo and links for 'Produkte', 'Lösungen', 'Forschung und Lehre', 'Support', 'Community', and 'Veranstaltungen'. Below this is the 'MathWorks Account' header with a search bar. The main content area features a green notification banner: 'Your profile was created and associated to your license'. Below the banner is a profile card for 'Max Mustermann' with a placeholder image. To the right, under 'My Software', there is a table with the following data:

| License | Label | Option | Use | |
|---------|--------------------------------|-----------------|----------|---|
| 886886 | MATLAB Student (Uni Stuttgart) | Total Headcount | Academic |    |

Below the table, there are two links: 'Associate to an additional license' and 'Get a trial'. On the left side of the dashboard, there are links for 'MATLAB Drive', 'MATLAB Online', 'Service Requests', and 'Bug Reports'. At the bottom, there is a section for 'Already Have MATLAB?' with a 'Learn more' link. A red circle and arrow highlight the download icon in the table.

7. Choose the required version.
